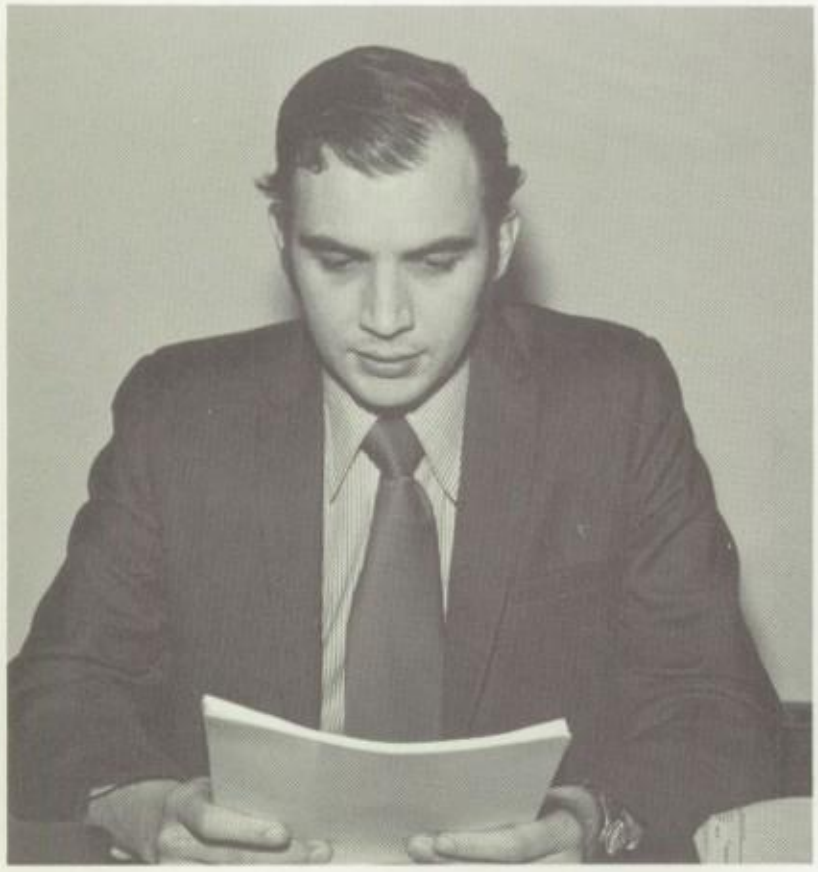
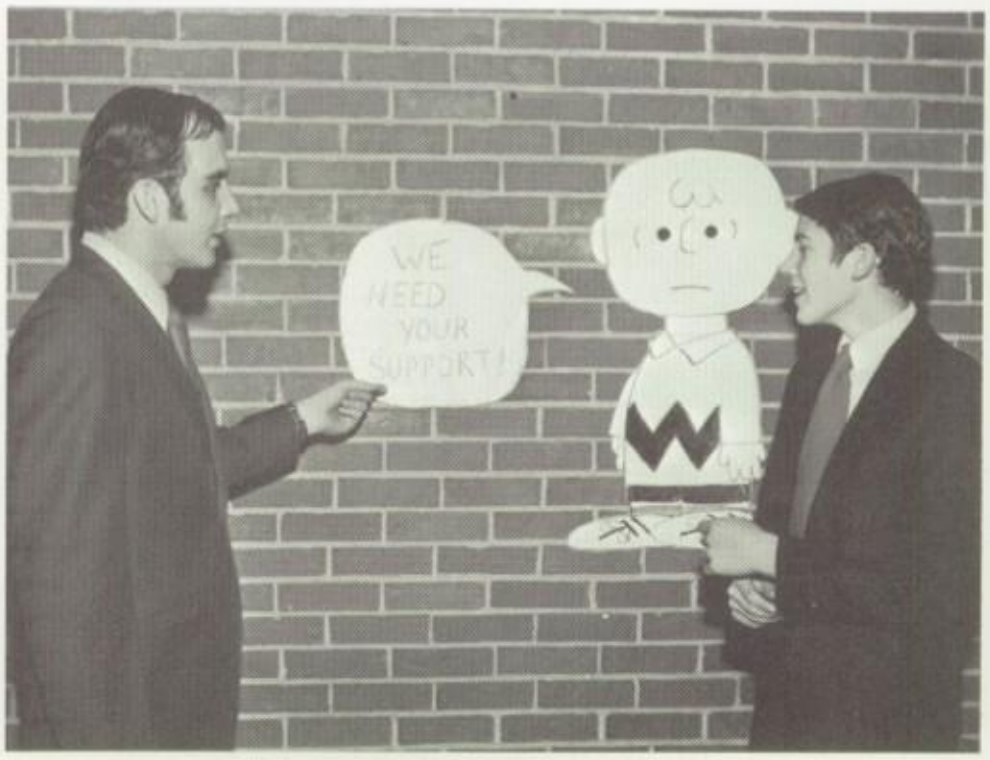
HOPKINS ARMS

Today We Follow . . .

To The Class Of 1970:





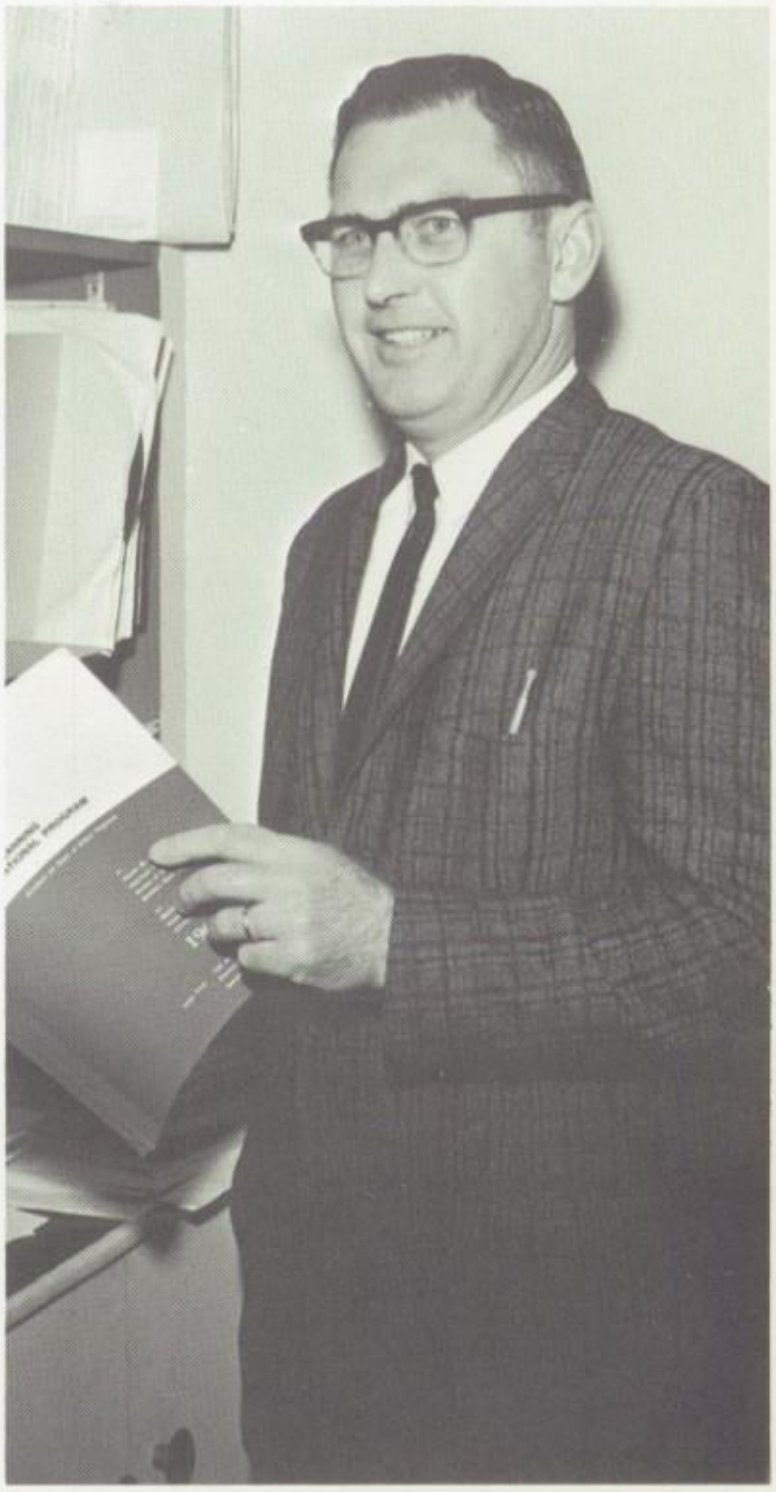
The Class of 1970 marks the beginning of another new decade of graduates from Hopkins Academy. It has witnessed the breathtaking pace of technological and social change amid controversy and upheaval of what we might look back on as a relatively fixed society.

The direction of the present and times to come will result from your many assessments of the events that have even changed the characteristics of leadership during this period.

It is my hope that your parents, teachers, and this community have given you some benchmarks for leadership, consistent with this changing character. For if they have, I believe that this class as leaders of both the present and future, will find no time for complacency, timidity or doubt; and when each of you choose some hazardous road, as all roads will be, that you will tread these paths with the boldness, courage and imagination of other pioneers.

Francis W. Gallishaw
Superintendent of Schools

Dear Graduates:



You have now completed your education at Hopkins Academy. No matter what your aims, goals or ambitions for the future, you have a thought that you should always keep in mind, namely your motto "Today we follow, tomorrow we lead".

It is a fact that you and the other graduates from high schools throughout the country will be our future leaders. Many people feel that our present day leaders have been inadequate in solving the problems of our community, our state, our country and the world in which we live. I hope that you also will not be satisfied with conditions as they exist today and that will help provide the leadership necessary to solve many of these problems.

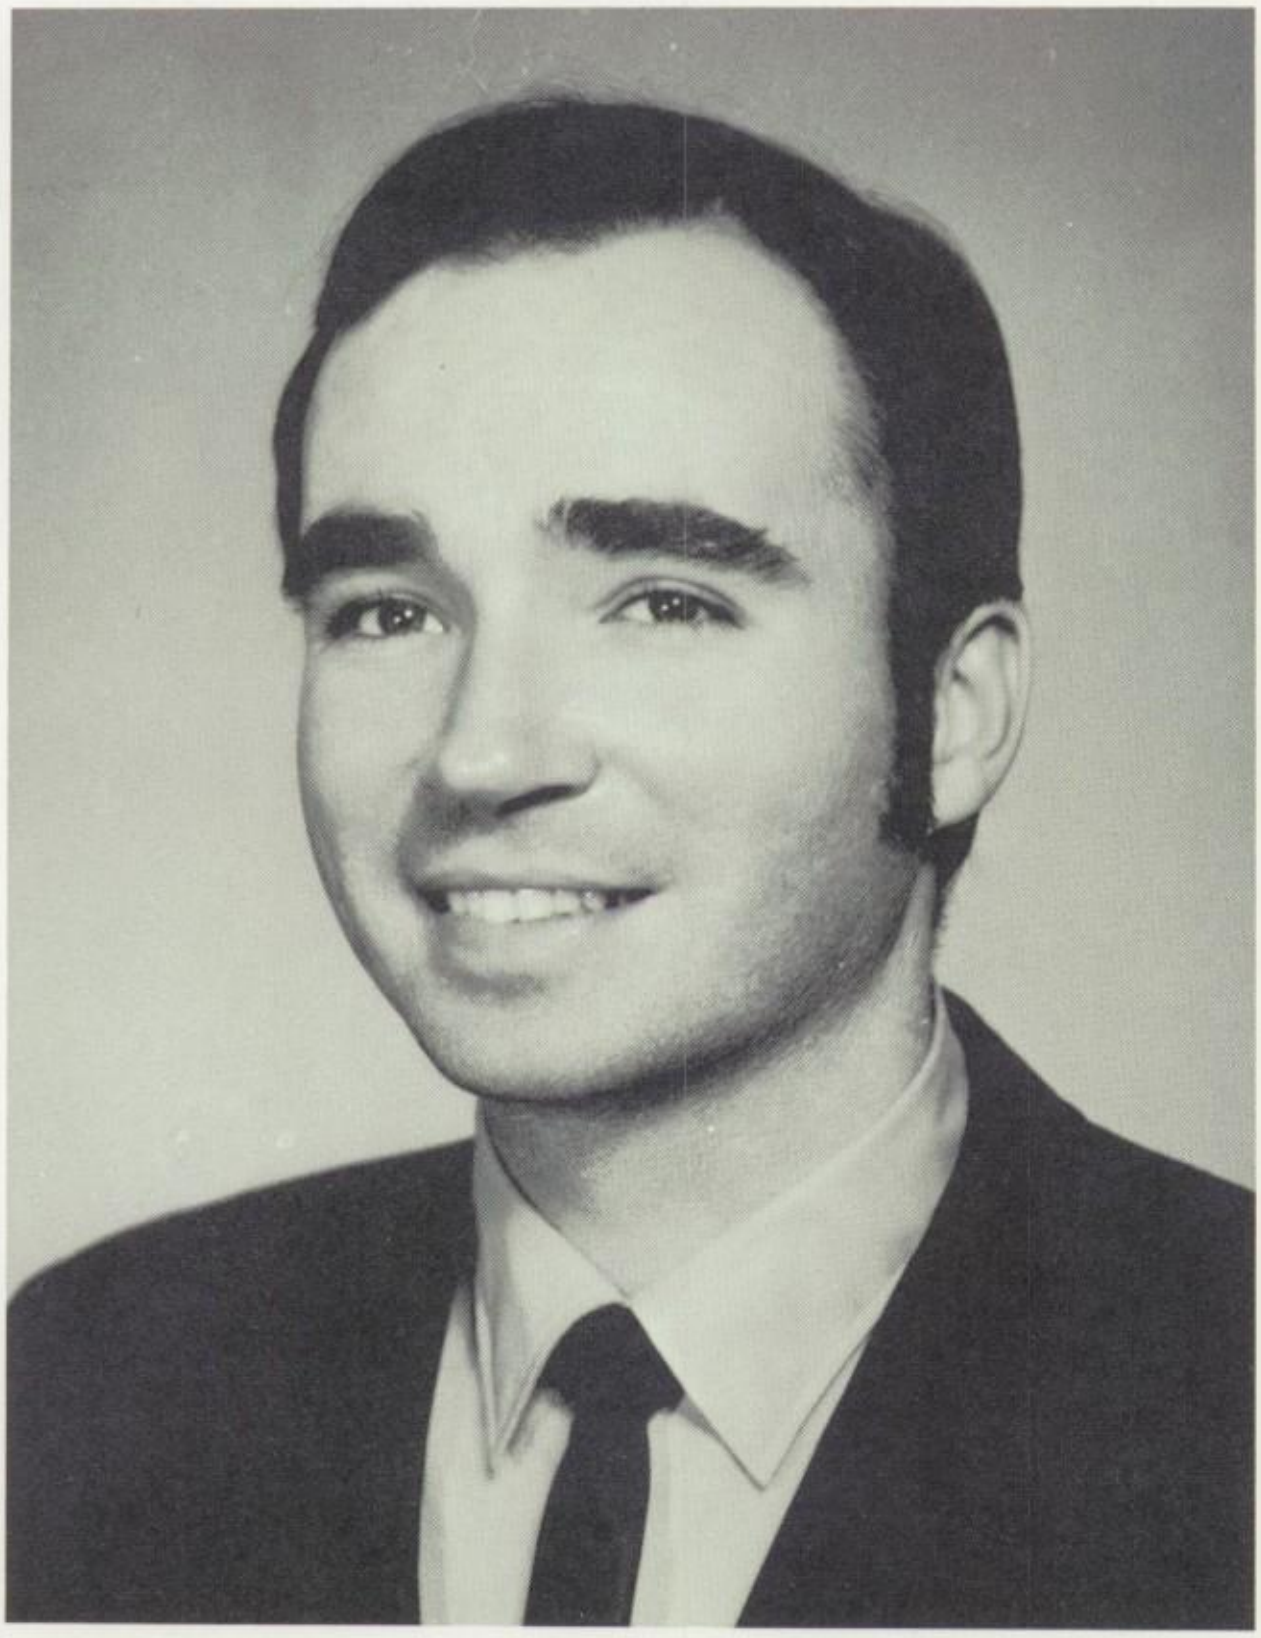
By providing this leadership, you will not only leave the world a better place for future generations but you will fulfill the hopes of the founder of this school, Governor Edward Hopkins, who left a sum of money in his will "to give some encourgement in those foreign plantations for the breeding of hopeful youths both at the grammar school, and college, for the public service of the country in future times".

Joseph E. Zalot
Principal

In Dedication To Mrs. Kennedy

With sincere appreciation and gratitude, we, the Class of 1970, would like to dedicate this edition of Hopkins Arms to Mrs. Mary Kennedy. As a teacher, she has always concerned herself, not only in the subject she was teaching, but also in each student. Although she has only been our class adviser for a year, she has shown such determination and deep interest in our class. For all that she has done for our class as a whole and for us individually, we offer our warmest and heartfelt thanks to Mrs. Kennedy.

In Dedication To Mr. Smith



We, the Class of 1970, also dedicate this, our Senior Yearbook, to Mr. Norman Smith. This past year especially, as seniors, we have realized our appreciation to him, not only as our guidance counselor, but as our friend, too. We wish to express our sincere thanks to Mr. Smith for the guidance and aid he has given us as students at Hopkins.

When September came around again, we realized that we were finally Seniors. It was with happiness and relief that we counted off the time until June of 1970, thinking of all the things that had occurred in the past twelve years. It was also sad to think about losing many friends who would be leaving to start their own lives by then. However, we knew that our last year had finally come, and we decided to make the best of it by setting the pace in many areas for the classes to come.

We elected our leaders: Ron Waskiewicz, president; Steve Kelley, vice-president; Anne Moczulewaki, secretary; and Maria Rytuba, treasurer. Our third dedicated class adviser was Mrs. Kennedy. On the Student Council, Dave Kozera served as president, Dennis Russell as vice-president, and Carol Rytuba as secretary. Other representatives included: Wes Bauver, Mary Ellen Paciorek, and Tom Ruder. Wes Bauver and Mary Paciorek were also members of the newly created Student-Faculty Senate.

Seniors also showed intense academic ability in various ways. Six members were inducted into the National Honor Society: Bonnie O'Brien, president; Irene Czajkowski, vice-president; Martha Kneeland, treasurer; Cecelia Roseman, secretary; Linda Basara, and Kathy Pekala. Linda Basara, Wes Bauver, Steve Kelley, Dave Kozera, and Bonnie O'Brien received National Merit Letters of Commendation. Wes Bauver, Dave Kozera, Steve Kelly, Fred Callahan, and Jim Cook, were televised on the "As Schools Match Wits" team.

Representing the class musically were Maria Rytuba, chosen for District Band, and Bonnie O'Brien, chosen for District Chorus. Many of the other Seniors kept up a steady stream of performances in band and Glee Club. At the head of the marching band this year, was Elaine Waskiewicz, Drum Majorette, along with majorettes: Nancy Malinowski, Mary Paciorek, Linda Gurski, Bonnie O'Brien, Anne Moczulewski. Mike Majewski was a member of the Color Guard.

Seniors demonstrated their leadership ability in many clubs at Hopkins. The French Club elected Cecelia Roseman as president, Kathy Pekala as vice-president, and Linda Basara as secretary. Irene Czajkowski served as the Massachusetts State President of the Future Homemakers of America. Jim Cook represented our school as the Student Government Day Representative, and Irene Czajkowski was elected as the D.A.R. Good Citizen.

Ron Waskiewicz, Maria Rytuba, Steve Kelley, Anne Moczulewski.

Modular System Creates Flexible

By RICK BINGHAM

Modular scheduling may be the newest, most publicized project at Hopkins Academy but it is not the only new thing the school's students are doing this year, Joseph Zalot, the academy's principal states.

Also recently introduced are some elements in the Art Department. Students throughout the school are now working with ceramics, printmaking, and in leather, he said.

Other aspects of Hopkins educational program include further development of the intern program and greater use of team teaching techniques in some areas, said Principal Zalot.

Several students in the Industrial Arts classes have constr

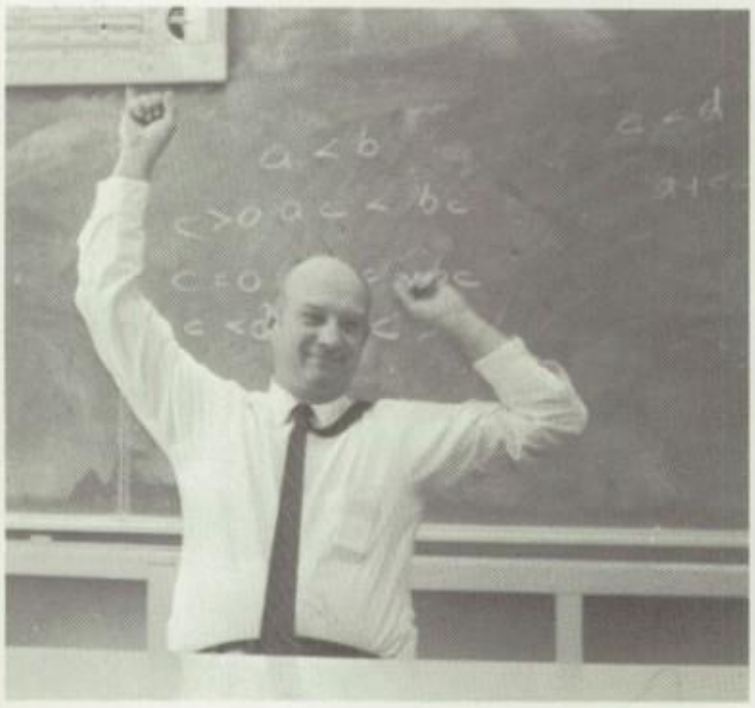
Asked for further details about modular scheduling, Zalot explained, "This system allots time to classes based on the nature of the class."



I love these free mods!

New Changes Take Place In Student Council

Student Council

The Student Council has been concerned with changes this year. First, the election procedure was modified. Representatives were elected from each class in order that a better representation of the total student body might be achieved.

A new dress code and senior privilege were among the main topics of agenda for the year. Miss Tudryn, the adviser, worked cooperatively with the members and the officers: Dave Kozera, president; Dennis Russell, vice president; Carol Rytuba, secretary; and Jim Tudryn, treasurer.

Student-Faculty Senate

One of the main concerns of the Student Council was the extension of student power. In order to improve the channels of communication between the students, faculty, administration, and school committee, a Student Faculty Senate was formed.

Four faculty members, four student council members, Mr. Zalot and Mr. Gallishaw compose this group. Proposals by the Student Council are sent to the Student-Faculty Senate for completion.

Students Are Chosen To Represent Hopkins

Girls' & Boys' State

Girls' and Boys' State Representatives are chosen each year by the faculty and are sponsored by the American Legion Auxiliary. Boys' State, a short course in government and democracy, is held at the University of Massachusetts and Girls' State, a program designed to help youth become appreciative of God and their country is held at Bridgewater State College. David Kozera, David Szafir and Bonnie O'Brien were the representatives and Bill Meakim and Irene Czajkowski were alternates.

D.A.R.

This year, Irene Czajkowski was elected D.A.R. Good Citizen by the seniors and faculty. The students choose three girls who have certain outstanding qualities and the faculty selects one of three. The qualities of dependability, service, leadership and, patriotism are the trademarks of the representative.

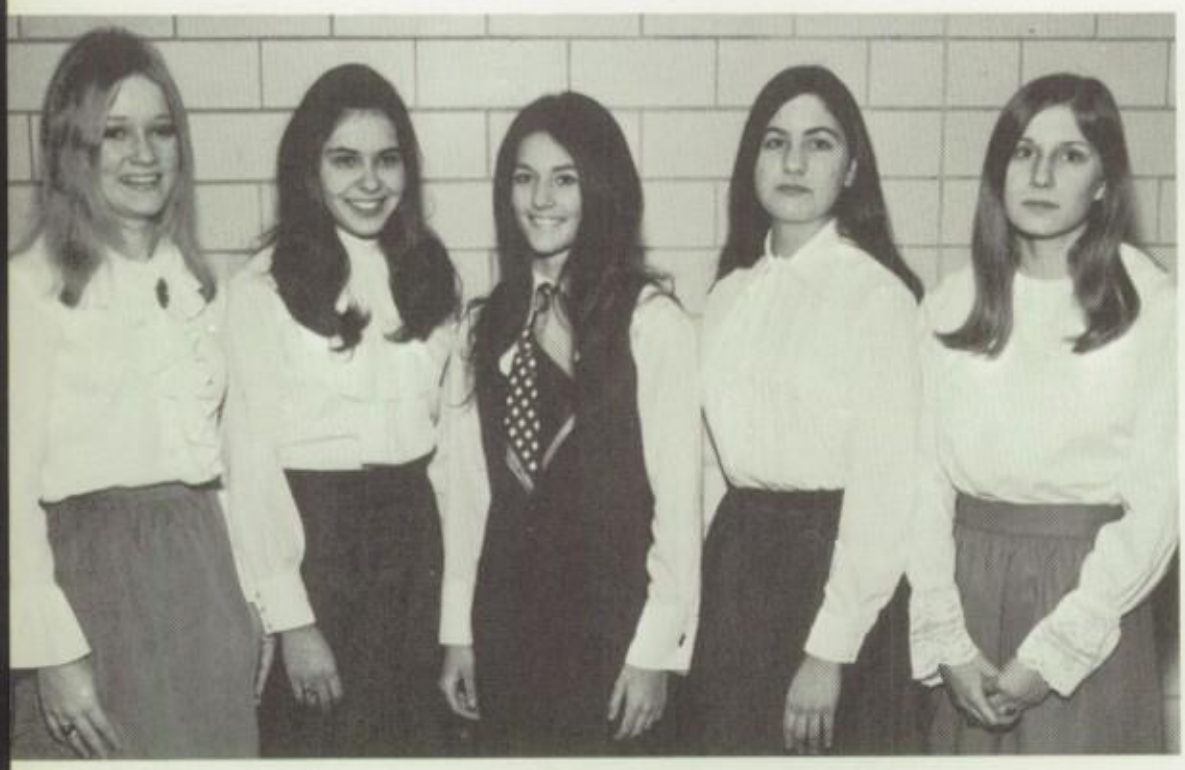
Conference On The Atom

David Kozera was chosen to represent Hopkins this year at the Conference on the Atom. The twenty-five school representatives from the area visit the Connecticut Yankee Power Plant in Haddam's Neck, Conn. The conference program included a movie on the construction of the plant and a guided tour of the plant itself.

Student Government Day Representative

Each year a representative from Hopkins is chosen to participate in Student Government Day, a day in which students from Massachusetts conduct the proceedings of the general court for one day. This year James Cook was selected by the student body to represent Hopkins.

Students Demonstrate Academic Achievement



National Honor

The members of the National Honor Society have participated in the N.H.S. scholarship program and fun raising activities this year. As pictured, the inducted members chosen by the faculty because of academic achievement are Bonnie O'-Brien, president; Irene Czajkowski, vice president; Martha Kneeland, treasurer; Cecelia Roseman, secretary; Kathy Pekala. Not pictured is Linda Basara.

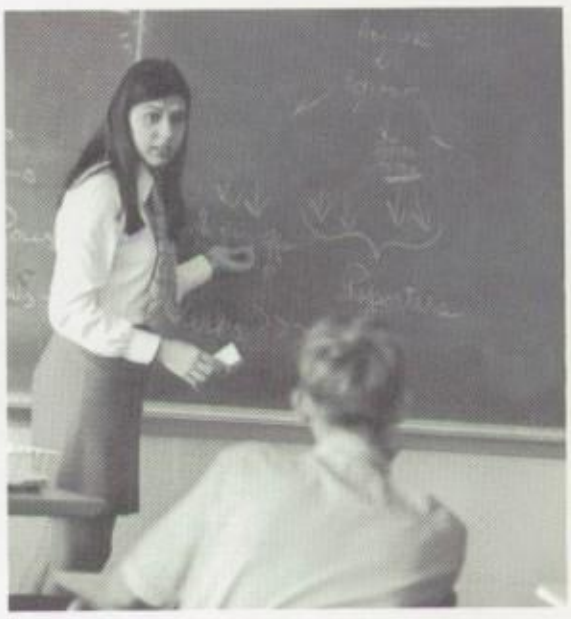
The Hawk's Claw



Irene Czajkowski diagrams the production system of the paper.

The Hawk's Claw, in its third year of publication, kept the students and faculty of Hopkins well-informed about the news of the school. In each monthly publication, the newspaper contained editorials by Irene Czajkowski; "Handwriting on the Wall" by Kathy Pekala and Barbara Ryder; Sports News by Mark Kneeland; and Club Activities by Bonnie O'Brien, Martha Kneeland, Jackie Bussiere, Dierdre Kelleher and Mary Ann Szafir.

Articles of general interest were contributed by Conrad Dawicki, Kevin Kelleher, Cecelia Roseman, Sandy Murawski, Stanley Wiater and comments of the student body were published.

The efforts of all the reporters, with those of the adviser, Miss Shea, the business manager, Matt Parsons, and the typists, Marjorie Dodge, Patricia Kellogg, Debbie Omasta, and David Niedziela produced nine issues of the Hawk's Claw, headed by our hawk with his pen ever ready to record the Hopkins happenings.

Produce Hopkins Arms 1970

With late night meetings, last minute deadline rushes, disagreements, writer's cramps, tired eyes, and exhausted brains, added to such great accomplishments as one hundred-twelve pages produced in six months, thirty-two pages completed in one weekend, and a total of twenty-one pizzas eaten during work sessions, this edition of the Hopkins yearbook was finally completed and mailed for processing on March 1st.

Co-editors Irene Czajkowski and Conrad Dawicki split up the jobs of layouts, placement, photography, writing, typing, telephoning, and overall theme and concept design, but special recognition goes to Kathy Pekala, Barb Ryder, and Mike Kowal for hours of assistance during work sessions; to Tom Ruder for the cover design; Marjorie Dodge for typing up tons of copy sheets; to Kevin Kelleher for managing the money; Bonnie O'Brien for designing the ads section; to Sharon Fil, Colleen Kelley, and Deb Mazur for their help as assistant co-editors (to take over for next year's book) — and finally, to Mrs. Kent and Mr. Hufford for their encouragements, criticisms, and assistance as this year's advisors.

The French Club has again contributed to the extra-curricular activities at Hopkins Academy. To lead them this year, the members elected the following as officers: Cecelia Roseman, president; Kathy Pekala, vice-president; Linda Basara, secretary; and Donna Sarsynski, treasurer.

Together with the officers and under the advice of Mrs. Edes and Miss Berryman, the members planned the many activities of the club which helped them to become acquainted with French culture. Among the activities planned for the year were Christmas caroling at Cooley Dickinson Hospital in Northampton, a French Christmas party, and a trip to Quebec and Montreal in the spring.

The meetings, held twice a month, were not only interesting, but informative. Business plans were not the only things which took place at the meetings. The club members enjoyed refreshments and different types of entertainment.

The members of the French Club were very active, because the activities were not only enjoyable, but enabled the members to view and participate in the French culture.

Career Clubs Prove Helpful

For Future Planning

BUSINESS CLUB

The Business Club, which is presently in its second year, consists of students who are specializing in business subjects. The club takes monthly trips to different types of business offices in the area. As a result, the students widen their knowledge of business opportunities as they learn about many varied and interesting careers. As a result of this experience, they have developed a desire for a career in a certain field in business.

MEDICAL CLUB: **First Row:** S. Murawski, N. Malinowski, L. Gurski. **Second Row:** D. Lovell, C. Jekanowski, L. Basara, K. Pekala.

The members of the MEDICAL CAREERS CLUB at Hopkins experienced a very successful year of activities. Mrs. Madenski, adviser, with the co-operation of Nancy Malinowski, president, and Linda Gurski, secretary-treasurer, planned educational programs for members.

The purpose of this club is to acquaint the members with the many different fields and opportunities available in the fields of medicine and nursing and to help prepare them for a future career.

The activities included visiting hospitals and other institutions, and inviting representatives from area hospitals to speak to the group. These projects helped the members decide what careers in medicine they wish to pursue.

The Hadley Chapter of the Future Homemakers of America carried out several fun and service activities this year. In November, they served as pages at Mrs. Jot's Christmas Party. At this function, they directed visitors and guests with their exhibits to the appropriate places. Valentine's Day was special for the members. They made Valentine Boxes and cupcakes for the two kindergarten sessions and helped serve the refreshments at the kindergarten Valentine party.

Some of the girls attended the Fall State Meeting at Milton High School and the Spring State Meeting at the Schine Inn in Chicopee. Irene Czajkowski served as the Massachusetts State President and also as the Massachusetts representative to the National Membership Committee. She and Mrs. Schwartz were among the thirteen Mass. delegates to travel to Denver and Colorado State University in Fort Collins, to attend the National FHA Meeting which had as its theme, "Action For Accomplishment."

Mr. Lawlor, Debating Adviser

The Hopkins Academy Debate Team participated in the Connecticut Valley Debate League, which has now been in existence for 30 years.

Each week, the team competes at an area school with one of the 15 League teams. This year the topic of debate was; Resolved: That Congress should prohibit unilateral military intervention in foreign countries.

The team had one of the best seasons ever. They finished the year with a record which put them in a tie for 7th place.

Students Express Interest In Art Club

A new organization at Hopkins this year, the Art Club, was formed as an extension to the large response to the new art classes being offered. Its primary purpose is to contribute a sense of aesthetic values and interests to its members.

The membership is small, which aids in the function of the club, and makes it especially valuable for work on individual advised projects. The club plans many excursions to local art galleries and museums, and the members have exhibited their work in hall displays. One unique idea which was shared by the members and their able adviser, Mrs. Schultz, was the participation of the Art Club in the presentation of an Arts Festival.

The members of the Art Club not only gain personal satisfaction in learning art culture but also help to enrich the school life at Hopkins.

Novice artists work slowly,

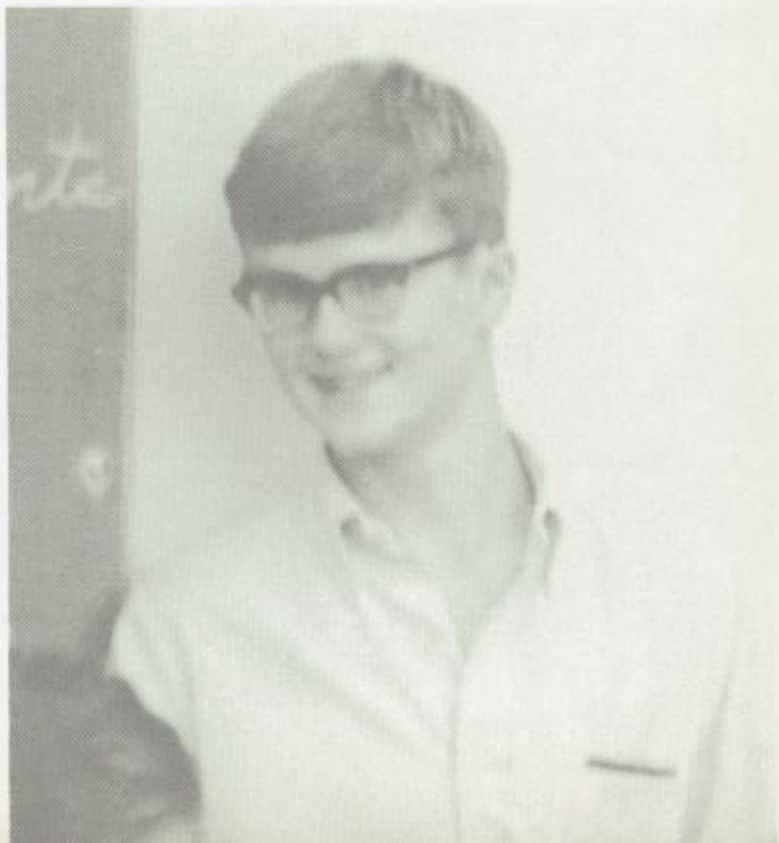
A New Club Attracts Interested Students

This year, Miss Shea founded a pre-flight organization for students interested in aviation. During the weekly meetings, a pre-flight short course was conducted by Miss Shea, the adviser.

After the ground instructions and lessons were complete, members were taken for orientation flights in small aircrafts, given experience in the function, maintenance, and operation of various types of planes.

One of the members, George White, Doodles on the board during a meeting.



H. A. Student Participates In Student Exchange Program

For the first time, a Hopkins Academy student, Linda Russell, participated in the Open Door Student Exchange Program. The program sends Latin American high school students to live with a boy or girl of about the same age for approximately ten weeks. The exchange students come to the United States when the school year in their country ends. They are expected, as participants in the exchange, to contribute something to the family, school and community concerning their own country and culture.

Linda Russell and her family were the hosts for Miss Patricia Saez from Osorno, Chile. While here, Pat attended Hopkins classes and school activities. She presented Hopkins with a book about Chile and spoke to several classes about her country and culture.

The Band passed through another year with many activities behind them. Beginning the eventful season with the usual concert at the Eastern States Exposition, they went on to participate in a half-time show at the University of New Hampshire football game at Dover, New Hampshire. A Pops Concert was held the preceeding night to raise funds for the trip. The Christmas Concert was a big success this year, as the packed auditorium proved.

Combined Glee Club And Chorale

This year the Glee Club started rehearsals for the Christmas Concert at the beginning of the year in September. They worked hard for a successful program including the selections, "Winds Through the Olive Trees", "Lo, How a Rose E're Blooming," "Christmas Roundelay", and "The Sleigh." The Chorale, a smaller group from the Glee Club, sang "The Drummer Boy" and "Christmas Polka." Feeling enthusiastic with the Christmas Spirit, the singers did some impromptu carolling at the Golden Court and Zayre's.

As thoughts turned toward the spring activities, preparations were being made for the annual Spring Concert and a Talent-Variety Show. Hopkins again planned to attend the Western Massachusetts Music Festival.

The Glee Club was conducted by Miss Jacobus and Elaine Waskiewicz was elected president of the Girls' Glee Club. Susan Hibbard accompanied the Glee Club on the piano at the Christmas Concert.

Talented Musicians Represent Hopkins

District Band and Orchestra

This year four members of the Hopkins Academy Band were selected, because of their musical abilities, to play in the 1970 Western Massachusetts District Band and Orchestra. Keith Frair, Jeanette DuBois, Maria Rytuba and Rodney Gonski paticipated in the day-long rehearsal, followed by an excellent and enjoyable concert.

District Chorus

Debbie Logan, alto, and Bonnie O'Brien, soprano, were chosen by audition to represent Hopkins in the Western Massachusetts District Concert. The concert was held Saturday, January 17, at the Holyoke High School Auditorium. The Chorus sang selections including "Alleluia" by Schultz, "Sing Unto God" by Handel, and "Neighbors Chorus" by Offenbach. Bonnie was also recommended for All-State.

SPORTS

Hopkins Has Enthusiastic Baseball Team

Coach, Mr. Berestka

The season was another very successful one for the team. They made tournament play, but only by first beating Southwick in a play off. They went on to play Ware in the first tournament game. After winning that one, the team had to play Lee in the semi-finals. Their luck went bad and they lost, but fought hard.

Many things can be attributed to this season's success. The biggest was spirit. Pitching, such as Ron Waskiewicz's 13 strike-outs in the play off game, and hitting, such as Bill Tudryn's 3 home runs, also helped the team.

With a long season behind them, the Hopkins Soccer Team managed to grab second place in the Hampshire League after a tense 1-0 play off game against Easthampton. After that, they bypassed Gateway Regional in the first round of the Western Mass. Tournament, but were let down by an equally matched 1-1 game against Classical High of Springfield, in which Classical technically won because of a greater number of corner kicks.

High scorer on the team was Mark Kneeland, credited with ten goals, and right after him, seniors Keith Buckhout and Jash Banash, with eight and seven goals, respectively. Ron Waskiewicz had the greatest number of goal assists, totaling up eight for the season. Denny Russell, probably one of the best goalies in Western Mass., averaged fourteen saves per game, and is credited with eight League shutouts. The soccer season ended with the Hawks accomplishing an incredible total of 44 goals between Hampshire League and Western Mass. games.

Included on the All Hampshire League Team were: Dick Smigielski and Bill Meakim. The second team had Dennis Russell, Dave Kozera, and Steve Dec. Dennis Hukowicz was chosen as All Hampshire League Manager.

I N S !

This year, the Hopkins Varsity Cheerleaders really showed their spirit with fresh ideas and new cheers from the Blue Mountain Sports Camp they attended during the summer. Members of the squad were Elaine Waskiewicz, Martha Kneeland, Debbie Logan, Ginger Harrop, Jacki Bussiere, Mary Ann Szafir, Mindy Martin, and Bonnie O'Brien as captain. They not only cheered the boys on at the games, but also entered into their own tournament at David Prouty High School, Spencer, Mass.

The Junior Varsity led their boys to many victories, too, with Lynn Beals heading the squad of Dierdre Kelleher, Betty Fil, Mary Ann Byron, Debbie Shores, and Kathy Kelley.

This year's Girls' Volleyball Teams, under the coaching of Mrs. Herald, did a fine job all around. In regular season, their record was one of the best Hopkins has ever seen. All games were exciting and well-played, whether victories or not.

The team went to the volleyball tournament held at Amherst Regional High School, November 14, 1969, and came out with a 4-4 record, a good job considering the tough competition.

Basketball

The Hopkins Academy Girls' Basketball Teams had a very good year. Although all games were not won, each was played with great determination and pride.

If an outstanding player were to be named, it would have to be Linda Gwozdz, the only senior, and co-captain of Varsity.

Both teams look promising for next year under the leadership of their coach, Mrs. Lee Ann Herald.

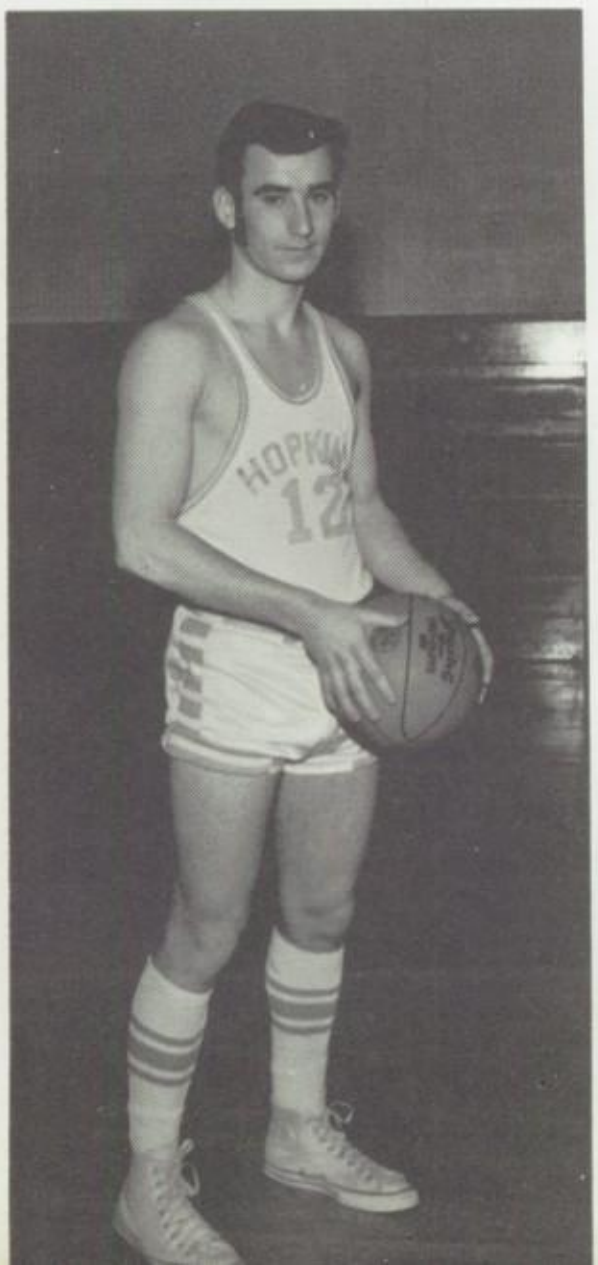
Their Fans And The Total Season Added Up To

Ron Waskiewicz



With a total of seven seniors on the team, Hopkins had a season highlighted by Dennis Russell hitting his career high of 1000 points scored. Coming on strong behind him were Dick Smigielski and Bill Meakim. Between Ron Waskiewicz's lightning ball handling, Ken Lynds' rebounding and team advice, Jim Basile's ability to bomb long shots when needed, and Dan Dudkiewicz's assistance, the Hawks pulled off their biggest upset against Smith in the last game of the season, handing them their only defeat.

With the coming of spring, the Hopkins Golf Club goes out to Pine Grove its home course. Now in its third year, the club founded and advised by Mr. Smith, has played, many matches and is planning for more this spring. Last years top golfers were Phil Baker, who won the second Hopkins Tourney Gross Contest and Steve Baker, who won the handicap.

Ski Club

Once again, this winter, the ski club packed up their equipment and headed out for the slopes of Mt. Tom in Holyoke, where the new members took lessons and the professionals continued to break legs and enjoy themselves.

Editors' Message

In September, 1966, about 70 young people, eager, inexperienced, and hopeful, began their four high school years at Hopkins.

In September, 1969, about seven of these young people began to produce this book that would contain the actions, sights, and memories of their years at Hopkins.

These people were eager to make this edition of Arms the best one they could; they were inexperienced but learned by doing; and, most of all, they were hopeful for the success of correctly captivating all that was Hopkins.

During the past seven months, the time and efforts spent in preparing this collective volume of our senior year have totalled up to many hours, problems in production, mistakes and corrections, frustrating pressures, and impending deadlines; also, new ideas, challenging experiments and co-operative combinations. Despite some of these, and including all, the 112 pages were completed on time.

This accomplishment is due to the interested assistance of Mrs. Kent, Mr. Hufford, Donald Lendry of the American Yearbook Company, Grenier-Ducharme Photographers, Marjorie Dodge, Sharon Fil, Kevin Kelleher, Colleen Kelley, Michael Kowal, Debbie Mazur, Bonnie O'Brien, Kathy Pekala, Thomas Ruder, and Barbara Ryder, to whom we give our sincere thanks.

In this Book, we have tried to present our year, 1970. This is the 1970 Hopkins Arms.
